A close-up photograph of two silver wedding bands resting on a white surface. In the background, there is a white ribbon tied in a bow, adorned with small white pearls. The word "Bride" is written in a cursive script on the white surface, partially obscured by the rings. The overall scene is romantic and elegant, with soft lighting and a delicate floral pattern in the bottom right corner.

## **When can I come and see the function rooms?**

We would be more than happy to meet with you and show you the hotel function rooms and facilities. Appointments are highly recommended to ensure availability to view the rooms.

## **Do you tentatively hold function space?**

We would be more than happy to hold the reception room for you for one week while you make your final decision. Should there be any other enquiries during this period we will contact you to allow you first preference.

## **Do you have minimum spends or minimum numbers?**

Our reception packages are based on a minimum of 50 adult guests. Should your final guest numbers fall below 50 guests some package inclusions will be altered and a room hire fee would apply.

## **What are the deposit & payment arrangements?**

Once you advise that you wish to confirm with us, we will send you a custom wedding contract. A signed copy of this, along with a \$1,000.00 initial deposit is due within 14 days to secure your booking. Another payment will be due midway between booking and the wedding, with the final payment due two weeks before the wedding (based on final numbers).

## **What beverages can I have?**

Beverages included will be those confirmed in your reception package. However, you can certainly upgrade your beverage package inclusions or swap to alternate selections. We would be more than happy to provide an indicative cost should this be of interest. Should you require spirits to be available for the event, these may be purchased by your guests on a cash bar basis or charged to your master account on consumption. BYO beverages are not permitted.

## **Do you have an area for wedding ceremonies on-site?**

We do not have an area available for wedding ceremonies; however we do have space to use as a wet weather back up if required. This would be the dance floor area in your reception room. An additional room hire fee may apply.

## **What time will the room be available for set up?**

Access times for set up of your reception are not able to be confirmed until one week prior to the reception date. Please note the room may be booked for another function during the day with sufficient time allowed for hotel staff and suppliers to set the room for your function.

## **What do you provide/set-up in the reception room?**

All tables, chairs, white table linen and napkins, white skirting (on the bridal, cake and gift tables), cutlery, crockery and glassware is included. All that you have to organise (optionally) are table centre-pieces (if not using the hotel's), chair-covers (if not included in the package), place-cards, bonbonnières and any extra theming you would like.

## **What time may I have my Reception from?**

Pre dinner drinks will begin at 6.00pm, followed by the reception at 6.30pm-11.30pm.

## **How do my guests access the room?**

The Morrow Room is located on Level 2 and can be accessed via the main hotel foyer, taking the lift to the second floor. On street parking is available for guests who have not booked accommodation at the Hotel. Upon arrival at the hotel, our reception staff will direct your guests to the pre dinner drinks area.
